MY GRANNY WRITES EROTICA to be Published in July

For immediate release

Bestselling author Rosen Trevithick is pleased to announce that her novel ***My Granny Writes Erotica – Threesome*** will be published on 3rd July, 2014. The humorous tale poking fun at the current erotica craze will be available in paperback and as an eBook.

65-year-old Betty had given up on her life's ambition to write a bestselling novel. However, after walking in on her husband with a lady of the night, she finds herself single and with mounting debts. In need of a 'get rich quick' scheme, straight-laced Betty decides to try her hand at writing an erotic novel.

With little experience in matters of the libido, Betty finds herself ill-equipped to pursue her goal. So she sets out to acquire carnal knowledge without arousing the suspicions of her prudish friends and uptight family.

When her embittered mother-in-law finds a butt plug in the slow cooker, it seems like the game is up. Will Betty be able to prevent bankruptcy with her salacious prose before her source of income is exposed?

After the success of a short story *My Granny Writes Erotica*, Rosen extended Betty Berry's adventures into a full length novel. The original short accrued 4.5 stars from over 110 reviews on Amazon, making this Rosen's most anticipated release to date.

“Writing about Betty was a real treat – I fell in love with her. It was like retelling a family legend about a favourite kooky aunt, but with nipple clamps. The research was a hoot.” – Rosen Trevithick.
